

Ripley Park Rules and Regulations

Alcohol Consumption

Alcoholic beverages are permitted in Ripley Park subject to state and local regulations (e.g., no minors, no sales without state/local permit, etc.). Plastic bottles or cans only, NO GLASS. Private parties renting shelters may have draft beer as approved on their shelter reservation agreement.

Animals

Pets, strays, and other domestic animals are not allowed in Ripley Park for reasons of comfort, safety, and cleanliness, with the exception of service dogs. Service dog means a dog that is specifically trained to assist a person with a disability.

Driving in the Park

Driving in the park beyond the paved driveway is not allowed, except for park maintenance and service vehicles.

Fires

Fires outside of grills (either provided or brought in), are not allowed under any circumstances.

Fireworks

Under state law, fireworks that “go up or blow up” are illegal and not allowed in Ripley Park.

Fishing

Fishing is not allowed at Ripley Park.

Golf

Golfing is not allowed in Ripley Park, as airborne golf balls are safety hazards, unclaimed golf balls become litter, and golf balls struck by lawn mowers can travel great distances and cause damage to humans and property.

Music

Personal music devices must be kept at a normal volume without explicit language that may be offensive to surrounding park patrons and families.

Water Balloons

Water Balloons are not allowed at Ripley Park or in any of the shelters.

Weapons

This is a privately owned beach. We prohibit the use or carry of any weapon such as knives larger than 10” and firearms of any sort.
