

CAMBRIDGE COMMUNITY ACTIVITIES PROGRAM

NEWSLETTER

SEPTEMBER 2026

FALL FUN IS JUST AROUND THE CORNER!

**SATURDAY,
SEPTEMBER 12
10:00 AM - 12:00 PM**

Free!

Get ready for a fun-filled day at CAP's Touch A Truck event on Saturday, September 12!

Children and families will have the chance to get up close to some of their favorite trucks and vehicles, climb inside, and learn more about the people who use them in our community.

To add to the excitement UW Med Flight is scheduled to land at 11:00 am! We look forward to seeing you there!

**SATURDAY,
OCTOBER 3
12:00 PM - 3:00 PM**

CAP is excited to host the Harvest Festival & Monster Dash on Saturday, October 3, 2026.

The Monster Dash is a fun, family-friendly run that invites participants of all ages to get active, enjoy some goodies along the route, and show off their best monster spirit. Before and after the race families can enjoy the Harvest Festival. Families can look forward to pumpkin decorating, hayrides, a pumpkin patch, petting zoo, face painting, bounce house, s'mores, concessions and more! It's the perfect way to celebrate the arrival of fall with family, friends and neighbors.

Mark your calendars for October 3 and join Cambridge CAP for a day of fall fun, community and memories! We hope to see you there!

THE SUNSHINE FUND IS HERE TO SUPPORT OUR COMMUNITY!

Did you know that CAP has a scholarship fund available for students who reside in or are enrolled in the School District of Cambridge to participate in CAP programming? The sunshine policy was recently updated to provide easier access to families by allowing families who qualify for free/reduced meals to be automatically approved. The fund supports families up to \$750 annually depending on family size.
